

Mid Wisconsin ATV Trailblazers
August 9 2021 meeting

Meeting was called to order

Secretary report was given and accepted.

Treasurer report was given and accepted.

Discussion on tractor and big drag that is out at Burma. Tractor is still tabled. Wondering if big drag will work on Edgar trail once it is all disked up.

Was brought up if it is possible for the club to just take care of the Edgar trail. Wouldn't be able to purchase a new tractor then. Don't know if this would be possible.

Elections were held and results are as follows:

President: Dean Manecke

Treasurer: Paula Denfeld

Directors: Peggy Weiland, Mike Strasser, Ben Manecke

Existing officers:

Vice President: Brian Manecke

Secretary: Cindy Manecke

Directors: Gregg Schroeder, Leon Werner

Fall work day at Burma set for Saturday October 16th.

All mowing was done from Edgar to Rock Road including weed wacking and Burma trail was mowed. Back blading and dragging needs to be done at Burma.

Disking and back blading has been started on the Edgar trail to recrown it. Discussion was held on how this was working. Some areas may work better in the spring. Works better when there is no sod.

Any work hours should be turned in at each meeting or around that time. We will be turning in the time the 15th of each month and will get paid every 2 months.

Discussion was held on part of trail in Edgar that had washed out. Is fine for now but may need work on in future.

Meeting adjourned

Next meeting will be Monday, September 13th.

If you have not paid your membership dues please do so as soon as possible.
