

Mid Wisconsin ATV Trailblazers
August 12, 2019 meeting minutes

Meeting was called to order by President.

Secretary report was accepted as sent out.

Treasurer report was given and accepted.

Gary was called into the county to go over trail maintenance sheets. The county has estimated times it should take to do work that the club was never made aware of. Discussion was held on this. Since Jon Daniels retired when the new coordinator is in the position the club would like them to attend a meeting and go over the expectations with the club.

Motion made and accepted to postpone elections to the beginning of the next meeting since members had to leave meeting early for other obligations.

Suggestion was made to have a ride coordinator so club members could do a little more riding instead of just doing trail maintenance.
