

Mid Wisconsin ATV Trailblazers
July 12 2021 meeting

Meeting was called to order

Secretary report was given and accepted.

Treasurer report was given and accepted.

Tractor purchase update – decided Kubota would be the one to go with. The best loan rates would be from them – 0 percent but application is confusing and not sure we would be able to get the loan. It was decided to table tractor purchase for now.

Discussion on shed by cement slab – what needs to be done and if there was a planned date to work on it. Everyone has been pretty busy to find time to work on it.

Herbie mowed from Fenwood to Edgar and back. Rest of trails still need mowing. Also need some back blading where gravel was put in Edgar last year.

New trail off Highway M had some wash out with the heavy rains. Will need to do a little ditching so the water runs to the culverts instead.

Dean received an e-mail from someone that there was going to be a Mosinee town meeting with discussion on closing Burma Road per people living on the road. Meeting was same night as ours.

Membership dues are to be paid in August. Find an application to be filled out attached.

Elections will be held at August meeting. Below are the current officers and which are up for election.

President: Dean Manecke – up for election

Vice President: Brian Manecke

Treasurer: Paula Denfeld – up for election

Secretary: Cindy Manecke

Directors: Gregg Schroeder, Leon Werner

up for election - Peggy Weiland, Mike Strasser, Chris Lehrmann

Meeting adjourned

Next meeting will be Monday, August 9th.
