There is a slight leak in the front of the tractor. If you are going to use it check the fluids before using. Might take it to a repair shop if it gets worse.

Only the mowing by the R store in Edgar needs to be done yet on the Edgar to Rock Road trail.

Some areas on this trail need some gravel – especially by some of the gates. Will have Red Rock deliver a load of gravel by Edgar and use the tractor to take where needed.

Motion made passed to donate \$200 to the Village of Fenwood towards the 4th of July fireworks.

Motion made and passed to get a copy of the bylaws of the club. Gary thought a copy was filed with the county.

Addition after meeting:

Per John Daniels before doing any work on the trails contact the president or vice president.

There is storm damage on the Edgar to Rock Road Trail and the trail is closed until we let Marathon County know it's clear. We only record and get paid for making a path through. If you want to make firewood from it you need to do that at a separate time. Check with Chris or Gary before working in case it was taken care of, or so they can direct you to an area that needs work.
