Edgar to Rock Road trail needs mowing. If you can help contact Gary ([garyweiland@gmail.com](mailto:garyweiland@gmail.com)) **715-581-2875**. Let Gary know time you spent so he can get gas cans refilled and time turned in.

Some holes from rain & animals are on the trail also. Will try to get this fixed in evenings. If you have time to help with this contact Gary. First 2 miles are the worst.

There were some trees on the trail due to storms. Gary & Dean are heading up the cleanup – trail is open.

Some of the bridges need work – will be checked out and material will be purchased to fix.
