

Mid Wisconsin ATV Trailblazers
June 8, 2020 meeting minutes

Meeting was called to order by President.

Secretary report was given and accepted.

Treasurer report was given and accepted.

ATV coordinator and will be attending the June 9th Fenwood Village Board meeting to discuss opening up Highway M in Fenwood as part of finding an alternate route to Highway P.

Trail behind Illusions to Highway P and the south side of P are closed due to wetness. Was closed on the south side of P so people would not run the highway with the trail closed on the North side of Highway.

Other possibility for trail is putting in a grant for a boardwalk but grants need to be applied for by April so it would have to wait another year for sure.

It's time to start mowing and there needs to be some back blading done at Burma. Let Cindy know any hours you put in and equipment used. Anything for June needs to be turned in shortly after the end of the month. Cindy.manecke@gmail.com or 715-581-2468.

Trail 3 at Burma has been gone over with the back blade and curves have been pulled in/down.

Dean will fuel up the tractor and check the oil so it is ready to go.

Meeting was adjourned.

Next meeting scheduled for Monday July 13th

Meetings are always the 2nd Monday of the month 7:00 at the Fenwood Village Hall.
