Treasurer report was given and accepted.

Chris talked with John Daniels, wants to get some gravel on the trail by Rock Rd. If it gets dumped after 2:00 Gary can spread out. If John can't meet with Chris on this Gary will meet with John.

Some of the signs ordered are done but we will wait till all signs are ready before they are picked up.

Need to put some more chevron signs on the trail. People driving later in the day say they really help.

Weed wacker is fixed and ready to use but needs some string – you don't need to prime it before using. The other one purchased from Mike S. is at the club house also.

Need to level off some dirt in the Co op area of trail in Edgar. Will try to re do the culvert so that it drains better. There is more work to be done in that area also.

Work days were set –

October 14<sup>th</sup> at Burma trail – meet at 8:30 at Burma Road entrance.

Lunch and beverages for both days will be provided by the club. Peggy was volunteered to pick up beverages.

Gary and Chris will take a ride out to Burma to see where the gravel is and where it is needed.

Need to check if there are enough posts for signs – Gary will check and pick up more if needed.
