Discussion held on fall Burma trail work day. Will be held Saturday October 3rd. Meet at 8:30 on the Burma Road entrance. Club will supply morning snack, drinks and lunch. Rain date will be Sunday October 4th. NOTE: work day was originally scheduled for October 10th but due to youth hunt on the 10th and 11th – work day has been changed to the 3rd.

One of the drags is still out at Burma – will try to get it back to the club land.

County is going to have someone work on the south half of the main trail in October.

Trail from Fenwood to highway P towards Rock Road is still closed. Waiting on county to get paper work through.

A thank you note was received from the family of Ann Kaiser for the memorial gift the club donated.

It was brought up if the club had any bumper stickers – Peggy is going to check the club house to see if there are still some of the round stickers there, if not we may need to order new ones.

Peggy suggested that for the chili feed the club purchase a larger item and raffle it off using a deck of cards. This was tabled for closer to the chili feed. She will be finding out more information from another club on this.

Membership fees are due. If you have not already paid please turn in a membership application with dues. Applications are available from secretary or on the web site.
