

Mid Wisconsin ATV Trailblazers  
August 12 2024 meeting

Meeting was called to order

Secretary report was given and accepted.

Treasurer report was given and accepted.

All the trails have been mowed. Trails need dragging. Burma has some washouts that need to be filled in by dragging.

Mike Christiansen has a disc to chop up the shoulder of trails to rehab them but it is a little small for the club tractor.

After the meeting Dean will give a demo on how the tractor works.

A couple of culverts still need to be replaced. Dean will get the culverts.

County website was showing that the Edgar to Rock Road trail as closed. Dean left Daniel Schmid a message that it should be open.

3 logging jobs are starting at Burma on trails 3, 2 and 7. When they work on 2 and 7 they will probably close the trails. We won't groom these trails right now.

Results of the election are as follows:

Vice President – Brian Manecke

Secretary – Cindy Manecke

2 directors – Steve Steiner and Al Hamann

Discussion on disks – the clubs current one isn't quite right. Gary was looking on line to see if he could find one that would work with our tractor. Some of the counties and townships have what we want but are too big for our tractor. Members were going to look online to see if they could come up with an option that would fit our tractor and price.

Meeting was adjourned.

Next meeting will be held on Monday September 9<sup>th</sup> 7:00 at Fenwood Village hall.

**If you have not paid your dues please do so as soon as possible.**
