

Mid Wisconsin ATV Trailblazers  
March 10 2025 meeting

Meeting was called to order

Secretary report was given and accepted.

Treasurer report was given and accepted.

Breakdown for the chili feed

Door Prizes \$590

50/50 \$151

Baskets \$867

Chili sales \$1,413

More miscellaneous money donations – Total profit around \$2,900

The American disk Dean was looking into is too heavy for our tractor. Brian got a disk if someone can revamp it let Dean know.

Dean went to Service Motors to see about upgrading the tractor. New one is about \$64,000. They would give us possibly \$21,000 or \$22,000. Need to get more money in the account before we can upgrade.

Motion made and passed to put \$25,000 in a 7 month CD with 4% interest instead of just leaving in the checking account.

Our back blade is being used a lot and has been fixed several times. Dean wants to look into a hydraulic back blade. Motion made to allow him to spend up to \$6,000 if he finds one.

Dean has a meeting on Wednesday with the workers and others at the trail in Edgar where they have been taking trees out. May be about what they need to fix before they call it quits.

**Spring work day at Burma trail** was set for Saturday April 26<sup>th</sup> (rain date Sunday April 27<sup>th</sup>). Meet on the Burma Road entrance at 8:00. Beverages, morning snack and lunch will be provided.

April meeting will be held on the workday if needed.

Meeting was adjourned.
